

Swimming Attainment Levels 2017 – 2018 Cohort

Children are taught to be able to confidently tread water and swim unassisted 25m (front and back).

They are taught water safety and how to behave around water and what to do if in an emergency. They are also assessed on underwater retrieval skills in Year 6.

This academic year all groups go swimming for one term on a 10 week rolling programme.

83% of Year 6 children were at Age Related expectation and able to use a range of strokes effectively for swimming in 2017 / 2018

80% of children perform were able to safely self-rescue in different water-based situations

For the academic year of 2018/ 2019 the swimming programme will be implemented across Key Stage 2.
